Sponsorship and Exhibition Prospectus
Dear Colleagues,

Hosted by the Continence Foundation of Australia, the 26th National Conference on Incontinence will offer an ideal opportunity to access the most dynamic, committed and informed group of medical, nursing, physiotherapy and specialist health professionals in the continence field, combined with a comprehensive trade exhibition and concurrent scientific program.

Manufacturers and suppliers of continence-related products and services are invited to meet and do business with your entire audience in one location, to showcase your company and products in a friendly and professional atmosphere.

Sponsorship opportunities have been developed to provide you with the platform to demonstrate your interest and commitment to our industry with your company promoted and acknowledged in the lead up to and throughout the conference.

Another great attendance of over 700 delegates from around Australia and overseas is anticipated and I invite your company to invest in one of the many sponsorship opportunities in this booklet. Alternatively, talk to me about other ideas you may have for your participation in our Sydney 2017 conference at the new International Convention Centre Sydney, Darling Harbour.

I look forward to your organisation’s involvement and contribution to the success of our scientific meeting.

Beyond the conference, perhaps you see an opportunity to participate in the process of promoting continence awareness in the community, an initiative that will integrate with raising the profile of your company and its products and services. For example, advertising support of the *Australian and New Zealand Continence Journal* and *Bridge* consumer magazine, sponsorship of printed resources or a special joint project.

Explore an ongoing relationship with the Foundation through joint projects promoting community and health practitioner awareness of incontinence as a major health issue—and encourage the use of the National Continence Helpline as a source of help.

Thank you to all our partner organisations for their valuable contribution and support of the conference and the work of the Continence Foundation of Australia.

A special acknowledgement to those companies who also support the Foundation’s major project—the National Continence Helpline, through distribution of Helpline materials and/or inclusion of Helpline details on their company product packaging, brochures, advertising and in media releases.
