INVITATION TO EXHIBIT

The Continece Foundation Australia, Qld Branch Inc, is very pleased to invite you to participate in our 5th Annual State Conference. It is to be held at the Brisbane Convention and Exhibition Centre at Brisbane's South Bank.

We are again in Brisbane and we hope to appeal to health professionals from Brisbane and the South East, Regional Queensland and northern NSW.

Our previous conferences have been very well supported by multi-disciplinary health professionals interested in continence. We anticipate a good number of health professionals will register for the 2018 conference.

I invite you to participate in a trade exhibition in support of the Conference.

Your company's participation will confirm your position as a major industry stakeholder and provide the opportunity to grow your business.

Women's health through the life stages

The dynamic program includes local and interstate speakers including Professor Hans Peter Dietz, Pelvic Floor Physiotherapist Natalie McConochie and Professor Leonie Callaway. Topics will include guidelines for safe exercise during pregnancy; managing bladders from a nursing perspective post-partum and post-operatively; managing OASIS; vulval skin care; levator avulsion and much more.

The Continece Foundation of Australia - Queensland Branch State Conference Organising Committee invite you to join us for this event and to stay for drinks and canapes afterwards.

We look forward to your organisation's involvement and contribution to the success of this state conference. A variety of Sponsorship Packages have been created for your consideration.
